

BARBARA HOCKING OAM

The Hocking Fellowship and Hocking Community Award honour the late [Barbara Hocking OAM](#) (Executive Director of SANE Australia 1995–2012), who worked tirelessly to improve the wellbeing of all Australians affected by complex mental health issues.

Barbara Hocking was a pioneer of inclusive and innovative program design. She led SANE's commitment to learning from those with lived experience as the experts on their own experiences. She remained a staunch champion of this collaborative approach to advocacy throughout her life.

All Hocking Fellowship and Hocking Community Award projects must reflect Barbara's legacy.
