

Position Description

The Role

Title:	Counsellor, Multi-Session Support
Purpose Statement:	Counsellors play a key role providing a range of support options for people affected by complex mental health issues including their family, friends and carers. Counsellors provide support that is trauma informed, person centred and focused on recovery utilising the CHIME recovery framework.
Team:	Services
Reports to:	Team Leader, Counselling
Direct reports:	No direct reports
Location:	Melbourne (Preferred) / Sydney
Employment Status:	Full / Part time (Fixed Term contract to June 30 2023) / Casual
Industrial Instrument:	Health Professionals and Support Services Award – Level 3

Key Functions:

- **Support Centre – General**
 - Direct provision of trauma informed counselling, support, information and referrals to people affected by complex mental health issues, including carers, health professionals and others.
 - Provide phone, video, webchat and email counselling.
 - Deliver support through channels preferred by the service user.
 - Respond to any other Support Centre related enquiries (from other channels)
 - Conduct call backs when appropriate to service users in need.
 - Send requested written information to service users.
 - Ensure professional standards are upheld including privacy, confidentiality and duty of care.
 - Consistently display and promote high level commitment, integrity, and diligence in all aspects of work and decision-making in line with Counselling values and best practice.
 - Appropriately document contacts with service users to ensure SANE Support Centre Governance and Data Collection Policies are adhered to.
 - Contribute to research and evaluation projects and the development of content across a range of mental health issues.
 - Participate in, and develop skills through, professional development and supervision sessions.
 - Conduct suicide risk assessments and safety planning for high risk callers
 - Promote access to other SANE service components.
 - Support, mentor and train less experienced Counsellors when requested.
 - Apply effective written and verbal communications skills to deliver peer support online across SANE Service Delivery Programs

- Document accurate and thorough case notes & incident reports around encounters with service users.
- Maintain accurate and timely records of contacts and other activities utilising Salesforce, Microsoft Office, The SANE Forums and SharePoint.
- Uphold ethical guidelines and professional standards including self-care responsibilities, professional boundaries, and service boundaries in collaboration with your manager.
